

## **The Lion, the Witch, and the Wardrobe Audition Piece**

Please memorize the following piece and be prepared to recite it at auditions.

All shall be done. But it may be harder than you think. Meanwhile, let a feast of celebration be prepared in yon pavilion. You will find food and drink in abundance there. Peter and I shall join you momentarily. Son of Adam. Look far into the distance where Narnia meets the sea. There is a castle. It is of the four thrones. If the prophesy is to be fulfilled, you, your brother, and your sisters shall sit in those thrones.
